LinkedIn: [Shaily saha](#) | GitHub: [Shaily saha](#)

PROFILE

Motivated CSE student with a strong interest in technology and software development. Skilled in turning ideas into practical projects, with a focus on continuous learning, problem-solving, and creating effective digital solutions.

EDUCATION

[2023] – Present

**Bachelor of Science in Computer Science and Engineering
(B.Sc. in CSE)**
Metropolitan University, Sylhet, Bangladesh

PROJECTS

SafeRoute BD – Safety Route System *React.js | Firebase | Leaflet*

Built a safety-focused web application with interactive maps, incident reporting, authentication, and nearby emergency services.

DreamEvent – Event Management System *React.js | JavaScript | CSS*

Developed an interactive event management platform with event planning, theme selection, AI-inspired event ideas, and cost estimation.

Pac-Man Game *Java | Java Swing | OOP*

Developed a desktop Pac-Man game featuring player controls, scoring, collision detection, and game logic.

Bank Management System *Java | OOP*

Built a banking application supporting account creation, deposits, withdrawals, balance checking, and account management.

Personal Portfolio Website *HTML | CSS | JavaScript*

Designed a responsive portfolio website to showcase skills, projects, and professional information.
